

## **Urgent Rapture message from Choo Thomas**

Jim Bramlett

Apr 3, 2010

Dear friends:

Choo Thomas is Korean-American who is married with two children and four grandchildren.

In 1992, she accepted Jesus as her Lord. Two years later, she saw Jesus' visible presence at a neighborhood Assembly of God church in Tacoma, Washington and in 1995, she began having physical manifestations from the Holy Spirit.

In 1996, the Lord Jesus escorted Choo into heaven and told her to record what she has seen and heard, bringing forth the book, "Heaven is so Real." This book was published in October, 2003. She has had many other experiences with Jesus.

I read her book several years ago and I believe her to be genuine. I have a Korean pastor friend in California who speaks highly of Choo. There is a portion of her testimony that I am not totally comfortable with, scripturally but I do not dismiss her because of it. Her message deserves to be heard. Remember that of all nations, the Korean people have received unusual grace and revelation from the Lord and many are spiritual warriors. The late Dr. Bill Bright said, "The most powerful movement of God in the world is in Korea. The dynamic, dramatic growth of the Church from three million in 1974 to eleven million in 1990 can be attributed largely to fasting and prayer." He also reported that a few years ago, "More than a million Christians throughout South Korea gathered in seventy cities to pray for the saturation of their country with the gospel, the fulfillment of the Great Commission."

Choo has an "Urgent Message" posted on her Web site last month describing her encounter with the Lord on February 24, 2010, and what He says about the rapture. It can be found at <http://www.choothomas.com/urgentmessage.html>.

She says:

"Since the beginning of 2010 the Lord has talked about the rapture with urgency now more than ever before. The way He talks about the Rapture, it sounds like it could happen any second." God is not revealing this to just one person. Choo's claimed revelation echos what many others all over the world are saying for different biblical reasons.

Be blessed,

Jim
